Environmental Entomology (ISSN 0046 225X) is published bimonthly (February, April, June, August, October, and December) by the Entomological Society of America, 4603 Calvert Road, College Park, MD 20740-3493. *Environ. Entomol.* is printed by the Allen Press, Inc., 1041 New Hampshire Street, P.O. Box 368, Lawrence, KS 66044. Second class postage paid at College Park, MD and at additional mailing offices. Postmaster: Send change of address forms to *Environ. Entomol.*, ESA, 4603 Calvert Road, College Park, MD 20740-3493.

Inquiries regarding editorial content, subscriptions, advertising, availability of back issues, change of address, and general business matters should be addressed to the Managing Editor, *Environ. Entomol.*, ESA, 4603 Calvert Road, College Park, MD 20740-3493. Manuscripts and other copy should also be sent to the Managing Editor. For general information about the preparation of manuscripts, authors are urged to consult the "Information for Contributors," located on the inside back cover, and the March 1984 issue of the *Bulletin of the Entomological Society of America*.

Subscriptions: $60.00 per year (nonmembers in the United States); $70.00 (elsewhere). Single copies: $12.00 (nonmembers in the United States); $14.00 (elsewhere).

Publication costs of all articles were defrayed in part by page charge payment. These articles must therefore be hereby marked "advertisements" in accordance with 18 U.S.C. §1734 solely to indicate this fact. Articles report the results of research only. Mention of a pesticide or a commercial or proprietary product does not constitute a recommendation or an endorsement for its use. Authors are entirely responsible for statements made in *Environ. Entomol.*, whether of fact or opinion.
